Reply on document CEN/TC333 N40

- 1) No new work item for trekking bicycles is necessary.
- 2) Trekking bicycles shall be included in the work item WI00333001.
- 3) A trekking bicycle is a bicycle for common use; practically a sports-utility bicycle with a dual derailleur gear system. Its link with the traditional sports-utility bicycle (with a internal gear rear hub or a single derailleur gear system) is very close.

Yours sincerely,

A handwritten signature in black ink, consisting of a large, stylized loop followed by a horizontal stroke and a small upward flick.
